

# The Revelation Network MEMBERSHIP

## Overview

*TRN is The Revelation Network, a Faith and Inspirational VOD (Video On Demand) Media Network located on the Internet at <http://TRN.tv>. TRN.tv is a private network that streams faith based and socially conscious media provided by ministries, faith congregations, evangelists, citizen journalists, businesses and organizations around the world anytime, anyplace, anywhere with Internet connectivity.*

*In this capacity TRN acts as a “Curator,” one that gathers niche programming that is then accessed from one central location:  
<http://TRN.tv>*

*Content is streamed live and on demand, free and pay-per-view, to general audiences and paid subscribers. No special device, dongle, stick, box, or software is necessary to access our media serving today's mobile families & lifestyles. All that is required to be a part of our community is Internet connectivity, AND a heart for the sustainable future of our planet and people as we collectively bridge communities together through purposeful media and digital technologies.*

*TRN.tv is accessible worldwide on the Universal Citizens Media Network OTT (Over The Top) Platform in 160+ Countries over multiple media channels and devices including; the Internet, mobile phones, personal hand held devices, tablets, out of home media, digital terrestrial and satellite affiliates.*

**There are two types of memberships to The Revelation Network:**

- **Audience Viewers**
- **Program Providers**

General Audience Membership to The Revelation Network is FREE and provides access to many Featured Channels, Portals and Programs. Additional premium programs, special discounts, and VIP access are provided to paid subscribers.

Churches / Ministries, Business / Organizations, Indie Professional, and Platinum VIP Memberships provide special discounts for live streaming and on demand broadcasts of video and audio programs. Members only discounts also apply to promotions, special offers, marketing and advertising services.

Join The Revelation Network community today. Together we can “be the change” agents impacting our world with positive imagery in multi media bringing knowledge, understanding, wisdom, and technology.
